<p>Welcome Bonus</p>

<p>It is a great time to join Betspin Casino since the welcome bonus has been increased to now offer &#128200; up toR\$400 across the first four deposits and an extra 150 free spins to celebrate the first payment. In fact, &#128200; the first deposit bonus is the best one available on the casino since it is of 100% and can reachR\$50. &#128200; The 150 spins for free that come with this deposit can be used on several hit slots from NetEnt, like &#128200; Starburst, Lights and Aloha! Cluster Pays.</p>

<p>The second deposit bonus is of 50% up toR\$50, followed by another 50% bonus up &#128200; toR\$100 and a fourth deposit bonus of 50% up toR\$200. The Betspin Casino bonus codes for the mentioned offers are &#128200; BETSPIN1, BETSPIN2, BETSPIN3 and BETSPIN4. Wagering requirements of 35x for the bonus and deposit, and 25x for the winnings from &#128200; the free spins will apply to the welcome package after claiming it.</p>

<p>Loyalty Program</p>

<p>Betspin Casino does not have a dedicated loyalty &#128200; program. It offers rewards through bonuses and promotions and players do not earn special comp points when betting real cash &#128200; on the available games. This is quite rare nowadays but is something that should not affect customers that much.</p>

</p>

<p>Promotions</p>

<p>There are &#128200; usually a couple extra promotions to go with the welcome package at Betspin. One of the running offers can award &#128200; 60 free spins on a specific slot machine for users who depositR\$30 or more on Monday with the bonus code &#128200; MONDAY. The spins are released across three days and the winnings resulted from them are subjected to standard wagering requirements &#128200; of 25x.</p>

<p>Giveaways are quite common on the casino as well and participants usually just need to bet on the eligible &#128200; games during the promotional period to earn tickets.</p>

<p>Customer Support</p>

<p>Customer support isn't quite perfect at Betspin Casino. Although users can start &#128200; a live chat and ask questions directly to the team, the working schedule is not 24/7 but from 8am to &#128200; midnight CET. An alternative is to send them an email by using the online message form or just composing one &#128200; and sending it to contact@betspin. Betspinners also get their own Facebook page where they can be part of the community &#128200; and get more info on what the casino has to offer.</p>
