Many fruit machines have a 'hold' button. This lets you pause certain reels during a spin, increasing the chances of winning. For example: if you had two Lemon reels in a row, you could hit a star and continue spinning. The remaining reels are on the hope of getting another limo! Some fruit machines also have a 'cancel' button.

How to Win On Fruit Machines - Player's Guide | Online Slots & Online Casinos 2.co.uk : blog

Modern slot machines usually pay out a certain percentage of the money that is put into them (usually, between 75% and 80%). The more money you put in, the more likely you are to win.

In the past, slot machines were often found in pubs and clubs. Today, they are found in casinos and online. The online versions are often more popular than the physical ones.
